Primary School Work

A good start to the year as we get the Primary school session back up and running with the first schools to be visited being Carstairs and Carstairs junction who are already starting to learn and develop their rugby skills.

After the February weekend the P1-3 school block starts up in a range of schools, including:

- Tinto
- Biggar
- Crawford
- Coulter
- Abington
- Leadhills
- Lamington
- Wiston

Street Rugby - Lanark

Great to see some rugby in the Lanark area as the street rugby sessions started on the 10th of November and finished 4 weeks later.

The sessions were aimed at P4 to P7 although a handful of older kids came to join in and help.

Over the 4 weeks, over fifty P4-7s attended the sessions showing off and developing a range of different, impressive, attacking and defensive skills.

Well done to everyone involved!

High School Rugby

A huge congratulations to the girls Under 15 emerging, Under 15 and Under 18 school teams who a few months ago travelled to Loch Inch to compete in the West of Scotland girls school tournament. The U15 and U18 went undefeated throughout the day and progressed to the finals at each age group which both teams then went on to win.

The U15 emerging team also should some great skills in attack and defence to come 3rd in their tournament. A massive achievement for a team which included several young girls who were competing in their first ever competitive games of rugby.

Also both a congratulation and commiserations to the boys Under16 school team who ventured to Kelvinside to play in the final of the boys schools Brewan Dolphin Glasgow North Plate where they were unfortunately beaten by a strong Kelvinside team.

Club Rugby

U16 boys' team finish top of the league undefeated after final win against Heriots. The 16's beat some very well established outfits on their way to victory including Watsonians and Dunbar.

P5 team go undefeated to win Stewarts-Melville round robin tournament winning all 6 games.

Once the weather subsides all teams will be starting the New Year. With lots of hard work at training and on game day we'll surely see some more great successes in 2015.
