

BIGGAR HIGH SCHOOL

SCHOOL OF RUGBY

SCHOOL OF RUGBY

PROGRAMME OVERVIEW

Hello and welcome to the parent information booklet for the School of Rugby.

As part of the on-going development of rugby in Clydesdale, Biggar High School, Biggar Rugby Football Club and Scottish Rugby will be piloting a two year 'School of Rugby' which will give pupils the opportunity to improve their physical literacy and rugby skills during the school term, and to enjoy the many benefits that participation in rugby offers.

The School of Rugby will give selected pupils from P7 the opportunity to train in a rugby environment for 2 periods of school time per week for the first and second years of their secondary school life at Biggar High School. This pilot is designed as a social and academic development programme that will not only help young boys and girls develop as players, but also aid them in their physical, social, emotional and academic development in their first years in secondary school.

The inclusion of Biggar Rugby Football club, one of the driving factors behind this pilot, will ensure a sustainable link is created from school to club and will enhance and develop the current school pathway from primary school rugby to secondary school rugby. The primary deliverer of the programme will be the Biggar RFC Development Officer. The School of Rugby will also be supported by Scottish Rugby as part of the long standing and successful partnership with Biggar RFC.

Sport can play a powerful role in providing the catalyst to improve the quality of life for young people in communities across Scotland. Rugby can offer potential life changing opportunities to enhance education and skills, improve health and wellbeing and fosters an ethos of teamwork; discipline and respect for officials, opponents and team mates.

The information in this booklet should contain all you need to know about this pilot, however, should you have any questions please feel free to contact the following:

SCHOOL OF RUGBY

WHAT IS THE SCHOOL OF RUGBY?

The School of Rugby is first and foremost a pilot programme that helps more pupils enjoy the benefits that participation in rugby brings and develops the social and academic skills of a select group of young boys and girls attending S1 at Biggar High School. It does this through developing these skills in a rugby environment and applying them in their school work and social life.

Like many activities, the skills that apply to rugby such as communication, following instructions, being creative and problem solving can be applied to situations in a classroom, in the playground, at home or in the street

For many young children, rugby is an activity that captures the imagination and brings joy and happiness to their life. For this reason new use the sport to engage with the individuals and help them learn in a way that other subjects and situations cannot.

The School of Rugby will also support pupils from S2 to S6 where they will have the opportunity to develop their rugby skills through curricular PE, and their after school rugby with the creation of teams and the opportunity to represent their school at local and national events.

SCHOOL OF RUGBY

HOW DOES IT WORK?

A UKCC Qualified Development Officer is responsible for the day-to-day delivery and the co-ordination of the pilot. Coaching takes place during school time after an appropriate timetable is developed by Biggar High School.

Sessions delivered by the coach will aim to assist with the development of the curriculum for excellence outcomes including pupils' ability to communicate effectively, be responsible for their actions, contribute to their own and others learning experiences and become more confident individuals.

There will be 3 'School of Rugby' sessions per week. One will take place during existing Physical Education lessons, one will be sourced from a variety of other subjects on a rotational basis throughout the year, and the 3rd will be an extra-curricular session (Thursday after school for girls and Friday after-school for boys). The timetable will rotate on a 6 weekly basis to ensure that youngsters **do not** miss too much of one single subject. Which lessons will be missed will depend on each youngsters individual timetable.

Supported by their teachers, youngsters will be expected to ensure that they stay up-to-date with their studies. Should there be any cause for concern on behalf of the teacher regarding a youngster missing classes and falling behind they will be removed from that timetabled School of Rugby period for the duration of that rotation.

Should there be significant cause for concern regarding a participant underachieving in academic performance across a range of subjects, Biggar High School will reserve the right to remove them from the entire School of Rugby programme.

Monitoring and Evaluation

In order to monitor the effectiveness of this programme on the players we will use the following:

- Skills Tests
- Parents Evenings
- Academic Report Cards
- Guidance Reports
- Attendance Figures

SCHOOL OF RUGBY

Content

The coaching sessions be made up of 5 main components which support the Scottish Rugby Union's long term player development (LTPD) strategy. These are:

- Technical Skills (catch, passing, evasion, tackling, support, etc)
- Game Sense Skills (decision making, defending, attacking, 2v1, etc)
- Physical Skills (agility, stamina, strength, speed etc)
- Mental Skills (mental strength, focus, discipline)
- Lifestyle Management Skills (developing good habits, health and nutrition etc)

The coach delivers these components in a clear and enjoyable way through the 'School of Rugby Curriculum' developed by Scottish Rugby Union.

Timetable

As mentioned timetables will rotate on a 6 weekly basis. Here is an example of how the School of Rugby might look:

	Period 1 08:45 - 09:35	Period 2 09:35 - 10:25	Period 3 10:25 - 11:15	Interval 11:15 - 11:30	Period 4 11:30 - 12:20	Period 5 12:20 - 13:10	Lunch 13:10 - 14:00	Period 6 14:00 - 14:50	Period 7 14:50 - 15:40	After- School 15:50 - 17:15
